

Procedure for online donation with VISA or MasterCard bank card.

- DMS Platform accepts online donations with bank cards, issued by Visa or MasterCard:

- In order to make an online donation you must enter your name and surname, as well as the amount in BGN you wish to donate:

- The next step is to enter the information from your bank card. If you're registered in the schemes for authentication Verified by VISA or MasterCard \SecureCode an authentication page of the bank who issued your card will be opened, where you can enter your authentication password.
- If the transaction is successful, a transaction note will be displayed on your screen. You can save it and print it.

- If a refund on a donation transferred online by a bank card is required, this is done by a credit transaction trough the same card, which the payment is done with.
- It is not possible to make a refund of a donation done in cash or trough a bank transfer.
